

# For your Financial Health – Finance Seminar

## For Your Financial Health Booking Form

The Optimists, Level 6

For your Financial Health is a training seminar presented to you by the Level 6 Community Governance Degree students, The Optimists, as part of their final year assignment.

This training seminar intends to provide a practical underpinning to the financial year end process to Parish and Town Council Clerks. The combined speakers will illustrate the methods and techniques required to provide Clerks with the confidence to invest, manage and undertake a successful year end.
